Hi everyone,

Looks like we're good to go. Sampling is scheduled to occur first week of February sometime.

Keith, can you coordinate with Deitrick on the double-blind PE samples?

As for the modified analysis, I have not yet received designation as R9 COR, Charlie, Dietrick, are you in agreement with the attached modified analysis? Does it meet the needs of the project QAPP?

Joe – Dante will be contracting you regarding data validation needs for this project.

Let me know if you need anything assistance on this.

Rich,

R9 QA Section
